ENTRY GUIDELINES

Duffield Evening WI is pleased to announce the return of the Duffield Carnival 'Village Art and Craft Show'. After its success in its inaugural year last year, the opportunity to embed the tradition continues!

Once again, we would like to invite you to show off your creative talents.

There are no fancy prizes but there will be certificates, rosettes and the DEWI Challenge Trophy. Winners will be announced during the Carnival and published in the Duffield Scene.

Please read the entry guidelines before starting and submitting your entry. 1st, 2nd and 3rd places will be awarded along with a number of merit and distinction certificates by the independent panel of judges. One entry from the whole show will be awarded the **DEWI Challenge Trophy**. The Judges' decision is final.

Please complete the form below and submit your entry along with an envelope containing your £1 entry fee on the day of the Carnival between 9:00am and 11:00am at the main marquee. You will need to obtain an entry number from a member of the organising committee when you deliver your entry; this number will be used to identify your entry.

Please note that entries must be retrieved between 4:00pm and 4:30pm from the main marquee on the day of the Carnival; any remaining after this time will be auctioned off or donated to local nursing and care homes.

Please be aware that the organising committee in agreement with the judges have the right to exclude an entry from judging if it is deemed to have failed to adhere to the guidelines.

Entry is open to everyone; you do not need to reside in Duffield.

Please display your cake on a plate or cake stand (make sure this has your name and telephone number attached to the underside). Cover your cake loosely with cling film to protect it prior to judging.

Homemade Strawberry Jam: To be presented in a clear jar with a label containing the date on which it was made. Please use a new lid; this can be decorated or covered with a fabric or paper topper.

A Comedy Vegetable: A home grown vegetable that you consider has a distinctive character. Please name your vegetable character either on a flag or card as part of your submission. You can embellish your vegetable to bring out its best features but the vegetable should remain whole and uncooked – and please remember: this is a family show!
